Senior, Intermediate and Junior Forest Technicians and Professionals

About Us:

Integrated ProAction Corp (IPaC) is a respected natural resources consulting firm located in Kamloops, British Columbia. With a history of excellence dating back to 1992, we are proud to offer our employees the chance to gain valuable experience across all aspects of the forestry and natural resources industries. Our diverse portfolio of clients also presents exciting opportunities in various natural resource sectors, ensuring a rewarding and dynamic work environment.

Positions Overview:

We are currently seeking Forest Technicians for multiple business fronts, from experienced to entry level. Ideal candidates have experience and/or schooling in a Natural Resource Program. Individuals who are eager to complement their ongoing education with hands-on fieldwork experience, let's talk!

Key Responsibilities:

- Lead and assist in various phases of timber / development projects.
- Participate and lead timber assessments and data collection.
- Prepare and contribute to road and cut block design activities and analysis as required.
- Collaborate with the team on licensee management planning and reporting.

Qualifications:

- Post secondary education with a diploma or degree in forestry or combination of previous, proven work experience in a related field.
- Self-motivated with a positive, safety conscious attitude.
- Eligible for registration with or in good standing with the ABCFP (preferred).
- Multiphase timber development and project management in British Columbia with a strong understanding of forest legislation, regulation and policy experience.
- Valid driver's license with a clean abstract.
- Eligible to work in Canada.
- Physically able to fulfill the demands of field positions in all weather conditions.
- First Aid or other safety certifications are advantageous.

The pay range for these positions is \$24- \$36 per hour; pay will be commensurate with experience and qualifications.

Note: Candidates may be subject to drug and alcohol testing in safety-sensitive positions.

Join us at IPaC and gain valuable experience that will shape your future career in natural resources. We look forward to welcoming dedicated individuals who are ready to make a positive contribution to our team.
