

Job Posting – Experienced Silviculture Surveyors

SuavAir is a forestry consulting company that focuses on utilizing drone technology to improve worker safety, increase field productivity, and capture aerial imagery to enhance recommendations for our private and government clients. We are hiring experienced silviculture surveyors for our southern Interior contracts around Kelowna, BC and Clearwater, BC

About SuavAir and the Position

- ☐ Location: Clearwater, BC and Adams Lake, BC
- ☐ 2 month position – Starting September 8th, 2026 going until October 30th, 2026
- ☐ Position is focused on silviculture surveying, with a breakdown of 85% field work and 15% office work
- ☐ Work requires silviculture surveys done on regen and free-growing cutblocks including RG + FG plots, walkthroughs, and drone flights for imagery capture
- ☐ Ideal candidate is an Intermediate to Senior Surveyor who can plan, lead, and conduct multiple survey types with minimal supervision required
- ☐ Additional office work would go until November 27, 2026 for the right candidate - Includes reporting, GIS Mapping, and data analysis on the field work completed to develop final deliverables
- ☐ Compensation of \$26 to \$36/hour with 1.5x OT pay starting after 8 hours with 6% vacation added. Wages based on previous work experience and knowledge
- ☐ Shifts will be 14 days long, staying in crew houses or logging camps, with 7 days off between shifts
- ☐ All accommodation and food expenses covered by company
- ☐ Production Bonuses

Desired Qualifications

- ☐ Previous forestry field experience – minimum of 1 field season in silviculture surveying in BC
- ☐ Accredited Silviculture Surveyor (SAS) designation is ideal
- ☐ Strong knowledgeable in BC Silviculture Surveying, including how to plan and conduct RG and FG plots based on survey type, and knowing how to generate and analyze silviculture labels
- ☐ Familiar with SNAP, PDF Avenza, GIS Software
- ☐ Proficient with technology and previous drone experience is ideal, or excited to learn how to fly one
- ☐ Be in good physical condition and have high endurance
- ☐ Enjoy working outdoors in all weather conditions
- ☐ Class 5 BC Drivers License with experience driving on resource roads
- ☐ First Aid Certified with Transport Endorsement
- ☐ Positive attitude and a strong work ethic with a focus on safety
- ☐ Strong communication and problem-solving skills in a team environment

How to Apply

- ☐ Send a Cover Letter and Resume outlining your experience and qualifications to our Operations Manager – COLIN.FILLITER@SUAVAIR.COM
- ☐ Job Posting closes August 28th, 2026, but interviews will be scheduled for qualified applicants as they come in
